Germanium's anti-radiation capabilities are nothing short of a miracle cure! The IFN has conducted several other experiments. They managed to create a new kind of bomb by fusing several Elerium atoms together.

Is Germanium a Miracle Cure - TheWetLab

"To put it more simply, your organic germanium cures diseases by inducing the body's own natural healing powers. I am convinced that by increasing the flow of oxygen, organic germanium stimulates latent natural healing powers existing in the human body, thereby resulting in a very effective cure of any illness."

Germanium Supplement | Organic Germanium | RN

Nevertheless, Dr. Asai succeeded in developing a formula for producing an organic germanium, Ge-132, that was chemically identical to the form he had extracted from plants. The chemical name for this organic-germanium compound is bis-carboxyethyl germanium sesquioxide. In 1969, Dr. Asai founded the Asai " Germanium Research Institute". (The research and clinical study by Dr. Kazuhiko Asai is summarized in his book Miracle Cure; "Organic Germanium")

Organic Germanium Facts and Benefits & Ge-132 Dosage

Dr Asai dedicated himself entirely to the study of Germanium, his passion, commitment and sacrifice have had enormous impact upon many people's lives. Whilst it is a fairly long document, the book Miracle Cure - Organic Germanium is recommended reading. Based on research and findings to date, our view of the essence of germanium is as follows:

Global dietary recommendations emphasize the consumption of plant-based foods for the prevention and management of chronic diseases. Plants contain many biologically active compounds referred to as phytochemicals or functional ingredients. These compounds play an important role in human health. Prior to establishing the safety and health benefits of these compounds, they must first be isolated, purified, and their physico-chemical properties established. Once identified, their mechanisms of actions are studied. The chapters are arranged in the order from isolation, purification and identification to in vivo and clinical studies, there by covering not only the analytical procedures used but also their nutraceutical and therapeutic properties.

The Detox Miracle Sourcebook shows you how to cleanse your body of the poisons that are destroying your health, and start the process of complete cellular regeneration that leads to true healing. Based on 30 years of clinical experience, treating thousands of people with conditions ranging from OVERWEIGHT to CANCER, Dr. Robert Morse reveals his ultimate healing system - the Detox Miracle! • Covers the A-Z of Detoxification, including: Why do it? When to do it? What to expect? Soyconcentrate is a rich source of plant estrogens that can help prevent cancer. Don't miss out! Let Earl Mindell show you how to look better, feel younger, and stay healthier.

From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters?* The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history, and in the lives of the (frequently) mad scientists who discovered them. THE DISAPPEARING SPOON masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. *Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.
